Dear Mr. Shuttler:

Your recent letter to Mr. Casey has been referred to me for direct reply. The information you provided on your services is very much appreciated and has been referred to the appropriate CIA offices.

The sensitivity or classification of our work generally mandates that we handle our own debt collection. You may be sure that if a requirement develops for services offered by your firm, you will be given consideration.

Again, your interest in supporting the Central Intelligence Agency is appreciated.

Sincerely,
